YES	NO
-----	----

I have paid a £40 deposit using sort code 20 46 65 Account No 80389285. Referenced with the child's first name & surname OR enclosed £50 with this registration form. I understand that the deposit will not be returned if the child fails to take up the nursery place.

I understand that no reduction can be made for children absent during term time and that notice to withdraw a child from the nursery or to reduce the number of sessions must be made one full term in advance or a full term's fees must be paid.

No guarantee is given that a child can increase the number of sessions at nursery to more than agreed on this form. Admission for extra sessions will be given on a first come first serve rule. This is explained in the Lodge Cottage Nursery School Policies and Procedures booklet.
